Dear Councils/Assemblies,

For more than 135 years, the Knights of Columbus has been a powerful force for charity in our parishes, our community, our state, our nation, and the world. This coming year, the Knights are collecting prizes for a fundraising event that helps to support clergy in the Austin Diocese. Last year, your generous donations helped raise over \$5,000 in contributions towards diocesan charities.

You are assured that one hundred percent (100%) of the money raised through this donation to our raffle, as well as charitable contributions from the attendees, will be given to the Austin Diocese Clergy Support.

If you have any questions or want to know where to send your donation, please contact Michael McLaughlin, Austin Chapter CRAD chairman at 979-998-3225 or at mikem@tkofc.org.

This contribution qualifies as a 501 C 3 donation.

Thank you for your time and consideration.
